

## CLUB SIGNAGE for CHAMPIONSHIP CARS

The signage supplied to the competitor by the 2 litre Sport Sedan Club and must be displayed in this location throughout the year.

(a) A band **200mm high** across the top of the windscreen is to be made available for the Club's **2litreSS** signage.

b) **SpeedPro** sponsor sticker to be placed on the centre of the front bumper

c) Class letter **A, B, C, D** or **E** to be placed below the race number on the windscreen.

(d) The **Sports Compact** sticker is to be displayed in the area directly above the race number. If there is insufficient space available above the number then the sticker may be placed below the number.

(e) **Tampered Motorsport** stickers are to be placed either on *each side* of the car in a prominent position **OR** on the middle of the front and rear of the car.

(e) **The RevZone** sponsor stickers are to be placed either on *each side* of the car on the lower panel in front of the rear wheel

(g) - If a competing car does not have the correct signage in the correct places then there will be **NO Points** awarded for that driver for the duration of the non-compliant period.
